

Are you a Sail Skipper?

Boreal Yachting is Norway's largest sail charter company. We provide adventures journeys in a combination of marine and land based activities in Northern Norway and at Svalbard. Our fleet consists of 15 modern sail yachts in from 33- 50ft.

Our company and activities are growing, and we are seeking service minded, ambitious and professional skippers on seasonal basis to work for our company. The persons we are seeking have to be role models for our company and have personal skills to create and ensure good atmosphere and a happy ship. Are you seeking new adventures and experiences? We would love to hear from you!

Requested certificates

- Commercially endorsed yacht/boat certificate (D5L, D5LA, or similar)
- VHF certificate (SRC or preferably ROC)
- STCW Crisis and passenger handling course
- STCW Safety course (IMO 60 or similar)
- Good health

What we offer

You will receive training and knowledge sharing from our experienced skippers before you start your job. Furthermore, the team of skippers & BY office will always be available for consultations during trips.

Our customers is either dedicated adventures people wanting to have an active holiday, or friends and families that want to have a great nature experiences along Norway's coast line. Very nice and positive customers to work with.

Mostly the skipper tasks are one week charters, but longer missions can be expected.

Market based salaries

Travel costs included
